

Quality Assurance & Quality Control FREE Webinar

Wednesday, February 15, 2017

11:30 am to 1:00 pm

The webinar will discuss:

- What determines quality within food facilities?
- Examine the use of QA/QC procedures to manage quality aspects of data collection, generation and use.
- An overview of the legal framework within which the data collection, generation and use must operate.
- Examine the relationship between QA/QC and due diligence and liability.
- Definitions and ideas to benefit your facility in a changing regulatory structure and various customer demands.

SPEAKERS

Erin Hiebert, Manager – Food Safety & Skills Development
Rhonda Martens, Specialist – Food Safety & Skills Development
